We are pleased about the first participation of the youth team of the Swiss Axpo Super League Club FC Luzern and the re-attendance of the young “Hornetts” of FC Watford from England and the U13 boys of the Czech Gambrinus division club FC Zbrojovka Brno.

With three international participants and teams from the first and second national league we offer to our spectators a very demanding participant field.

A heartfelt welcome is extended to the participating teams. I wish all teams an outright comfortable and successful stay at TG 08 Ober-Roden and fair and exciting plays for the spectators.
